17 UNITED STATES OF AMERICA,

18 Plaintiff,

19 CASE NO.: 2:24-PO-0177-SCR

20 v.

21 MOTION TO RESET COLLATERAL AND  
22 VACATE BENCH TRIAL; [PROPOSED] ORDER

23 NASIR MAHOOD,

24 Defendant.

25 On May 25, 2024, the United States Forest Service issued a citation to defendant for a violation  
26 of 36 C.F.R. 261.10(d) – Discharge of a Firearm. ECF 1. An initial appearance was scheduled for  
27 September 10, 2024. ECF 2. Defendant failed to appear, and the court ordered a forfeitable bench  
warrant in the amount of \$860. ECF 4. Defendant later called the court and rescheduled the initial  
appearance, which was reset for November 12, 2024. ECF 4. The Court further recalled the bench  
warrant. ECF 4.

28 At defendant's initial appearance on November 12, 2024, the government amended the citation  
to a violation of 36 C.F.R. 261.9(a) – Damaging Any Natural Feature or Other Property of the United  
States. At a December 3, 2024 status conference, the Court set the case for a bench trial on March 10,  
2025. ECF 10. Since that time, the defendant accepted a plea agreement with the government and  
agreed to pay a fine of \$400 and a processing fee of \$30. On February 13, 2025, the defendant forfeited  
the \$430 to the Central Violations Bureau. ECF 13.

The United States now moves to reset the collateral in this case to a fine of \$400 and a processing fee of \$30 for a total of \$430. The United States further requests that the Court vacate the March 10, 2025 trial date. Because defendant has already forfeited this amount, the Central Violations Bureau shall reset the amount and close the case.
